Why does love always seem to start in a parking lot,  
I've been in one, but nothing's happened to me,  
I wanna dance have a summer romance, but no-on a  
ones  
asking you see, why don't things ever happen just as u  
want 'em to why do things go so wrong?  
girls kissing or dissin' and boys doing what boys do,  
guess we just wanna belong

chouras:

All the girls and best frinds talking bout their  
boyfriends doing the thigs they do, in a romance  
making joke and talking holding hands and walking  
kissin in the rain their all sayin the same  
that they got somthin I can't find but its ok never mind

why don't love ever seem to last always fade so fast, in  
the past, but no-one seems to care, why do hearts  
seem to break them comes to ache I hope myyy  
standing on his stair we say we'll never love again but  
we know its wrong we'll run through the door if its  
open, so while I wait i'll just keep singin a song no  
words need to be spoken

chouras

One day I was in a parking lot and you came up me I

doing the things we do in our romance making jokes  
and talking holding hands and walking kissin in the  
rain their all saying the same tat I got something they
