"Never Look Back"

All her life she lived in sunshine, dancing through the rain.

I saw her down by the 413, my life will never be the same.

And I will live my life to love you.

I will live my life for you.

Throw my heart into the ocean.

Darling, I'll be true.

And I say,

I will live my life and not look back.

I will give it all and not look back.

I will live my life darling, 'til the sun turns black.

'Til the sun turns black.

Lord, I won't look back now.

She moves like shadows in the night, but I can never find the day.

I'd give her everything that I have to give, but I can't make her stay.

And this is all I have to give.

And this is what I have to say.

But if my heart should lose you baby, you just walk away.

Then I'll say,

I will live my life and not look back.

I will give it all and not look back.

I will live my life, darling, 'til the sun turns black,

'Til the sun turns black.

Lord, I won't look back now.

She's got a smile that makes the sun shine after heavy rain.

I saw her down by the 413, and my life will never be the same.

And I will live my life to love you.

I will live my life for you.

Throw my heart into the ocean.

Darling, I'll be true.

And I say,

I will live my life and not look back.
I will give it all and not look back.
I will live my life darling, 'til the sun turns black.
'Til the sun turns black.
Lord, I won't look back now.

Lord.
Lord, I won't look back now.
Lord, I won't look back.
Lord.
