Graffiti 6 – Over You
Lay down your armour baby
No need to fight no more
Coz i have been wondering darling
We should just stop this war

but it's alright
nothing lasts forever baby
it's alright
now i can dance

coz I'm over you
this time is the last time
I'm over you
I can change
said I am over love
this time is the last time
always my love

no need for arguments
just walk through the door baby
sometimes I don't know what we're talking about
you lose yourself i lose myself baby

but its alright
nothing lasts forever baby
its alright
now I can dance

coz I'm over you
this time is the last time
I'm over you
I can change
said I am over love
this time is the last time
always always

And maybe yeah it took a long time
when you're running away from truths you can't find
maybe yeah it was a hard time
when love had gone

Now Iâ'm over you
this time is the last time
Iâ'm over you
I can change
said I am over love
this time is the last time
always always

Now Iâ'm over you
this time is the last time
Iâ'm over you
I can change
said I am over love
this time is the last time
always Mmmmm
