There's traffic in the sky
And it doesn't seem to be getting much better
There's kids playing games on the pavement
Drawing waves on the pavement
Shadows of the planes on the pavement

It's enough to make me cry
But that don't seem like it would make it feel better
Maybe it's a dream and if I scream it will burst at the
seams
Whole place will fall into pieces and then they'd say

Well how could we have known?
I'll tell them it's not so hard to tell, na na na
If you keep adding stones
Soon the water will be lost in the well

Puzzle pieces in the ground
No one ever seems to be digging
Instead they're looking up towards the Heavens
With their eyes on the Heavens
The shadows on the way to the Heavens

It's enough to make me cry
But that don't seem like it would make it feel better
The answers could be found, we could learn from
digging down
But no one ever seems to be digging, instead they'll
say

Well how could we have known?
I'll tell them it's not so hard to tell, na na na
If you keep adding stones
Soon the water will be lost in the well

Words of wisdom all around
But no one ever seems to listen
They're talking about the plans on the paper
Building up from the pavement
The shadows from the scrapers on the pavement

It's enough to make me sigh

But that don't seem like it would make it feel better
The words are all around but the words are only
sounds
And no one ever seems to listen, instead they'll say

Well how could we have known?
I'll tell them it's really not so hard to tell, na na na
If you keep adding stones
Soon the water will be lost in the well, lost in the well
