Mmm, bye, bye

How do you love someone?
That hurts you, oh, so bad
With intentions good
Was all he ever had

But how do I let go when I've
Loved him for so long and I've
Given him all that I could

Maybe love is a hopeless crime
Giving up what seems your lifetime
What went wrong with something once so good

How do you find the words to say
To say goodbye?
When your heart don't have the heart to say
To say goodbye

I know now I was naive
Never knew where this would lead
And I'm not tryin' to take away, oh, no
From the good man that he is

But how do I let go when I've
Loved him for so long and I've
Given him all that I could

Was it something wrong that we did
'Cause others infiltrated
What went wrong with something once so good

How do you find the words to say
To say goodbye?
When your heart don't have the heart to say
To say goodbye

Is this the end? Are you sure?
How should you know when you've never been here
before?
It's so hard to just let go

When this is the one and only love I've ever known

So, how do you find the words to say
To say goodbye?
When your heart don't have the heart to say
To say goodbye

How do you find the words to say
To say goodbye?
When your heart don't have the heart to say
To say goodbye
