Anybody here see the noise
see the fear and commotion?
I think we missed it
Anybody here see the love
see the hate, the emotion?

(chorus)
Don't give me no
hand me down shoes
Don't give me no
hand me down love
Don't give me no
hand me down world
I got one already

Anybody here see the long-distance
cheer for the notion?
Well I think we missed it
Anybody here see the sky
weepin' tears for the ocean?

(chorus)

(instrumental)

Anybody here see the fuzzy-wuzzy
lovin' cup explosion?
I think we missed it
Anybody here see the
changing of the year and emotion?

(chorus)

(Don't give me no hand me down world)
I don't really need it and I'm not gonna take it
(Don't give me no hand me down world)
I don't give it to me 'cause I really don't want it
(Don't give me no hand me down world)
I don't wanna take it and I really don't need it, no
(Don't give me no hand me down world)
I don't wanna take it and I really don't need it
(Don't give me no hand me down world)

I don't wanna take it
I don't wanna take it
'cause I really don't need it
(Don't give me no hand me down world)
You know I don't want it, know I don't need it
(Don't give me no hand me down world)
You know I don't want it, know I don't need it
(Don't give me no hand me down world)
You know I don't want it and I'm not gonna take it
(Don't give me no hand me down world)
I don't wanna take it 'cause I don't really need it
(Don't give me no hand me down world)
Just don't give it to me, don't wanna take it
(Don't give me no hand me down world)
Gimme no, gimme no, no-no no-no-no
(Don't give me no hand me down world)
Don't wanna take it 'cause I don't really need it

(repeat to fade)
