Night school strutter just struttin' around
He can't find work since the band left town
He can't get up 'cause he can't get down

He's a heartbroken bopper

Honor roll student graduation day
Summa Cum Laude is a big okay
The car wash king is havin' beans today

He's a heartbroken bopper
Oh, he's a heartbroken bopper

Rise from the gutters, there's too much has gone to waste
Rise with the others, there's too much is done in haste

He's a heartbroken bopper
Oh, he's a heartbroken bopper
Oh, you're struttin' with a heartbroken bopper
Oh, you're movin' with a heartbroken bopper

Oh, you're shuckin', heartbroken bopper
Oh, you're dancin', heartbroken bopper
Oh, you're movin', heartbroken bopper
You're rockin' with a heartbroken bopper

A struttin' and a movin' with a heartbroken bopper
Makin' it, heart broken bopper
You've seen better days, heart broken bopper
Seen better days, heartbroken bopper
