No Sugar Tonight/New Mother Nature
Guess Who

Lonely feeling, deep inside
Find a corner where I can hide
Silent footsteps crowding me
Sudden darkness, but I can see

{Refrain}
No sugar tonight in my coffee
No sugar tonight in my tea
No sugar to stand beside me
No sugar to run with me
Da do da da...

In the silence of her mind
Quiet movements where I can find
Grabbing for me with her eyes
Now I'm falling from her skies

{Refrain}

Jock says yes, and I believe him
When we talk about the things I say
She hasn't have the faith or the guts to leave him
When they're standing in eachother's way

You're driven back not to places you've been to
You wonder what you're gonna find
You know you've been wrong but it won't be long
Before you leave 'em all far behind

{Second Refrain}
'Cause it's the new mother nature taking over
It's the new splendid lady come to call
It's the new mother nature taking over
She's getting us all, she's getting us all

Jock said no when I came back last time
It's looking like I lost a friend
It's no use calling 'cause the sky is falling

And I'm getting pretty near the end

A smoke filled room in a corner basement
The situation must be right
A bag of goodies and a bottle of wine
We're gonna get it on right tonight

{Second Refrain}

Lonely feeling Jock says yes and I believe him
Deep inside When we talk about the things I say
Find a corner She hasn't got the faith or the guts to
leave him
Where I can hide When they're standing in eachother's
way

Silent footsteps You're driven back not to places you've
been to
Crowding me You wonder what you're gonna find
Sudden darkness You know you've been wrong and it
won't be long
But I can see Before you leave 'em all far behind

{Second Refrain}

Da do da da...
