

## Guess Who "When Friends Fall Out"

Visit "[When Friends Fall Out](#)" on [MotoLyrics.com](https://MotoLyrics.com)

The lone wolves howl  
On Moonlight Bay  
Dark moon is out

When friends fall out  
When friends fall out

Birds aren't alone  
You've past all doubts  
Their world has grown

When friends fall out  
When friends fall out

A journey is plastic for someone  
Who's walking on air  
He falls through elastic  
And there is no net waiting there

And it's so nice to be home again  
So nice to be home again  
Where I belong

No night, no day  
No in, no out  
No work, no play

When friends fall out  
When friends fall out  
(Listen to me talkin')

When friends fall out  
(Baby, you got nothin')  
When friends fall out

And it's so nice to be home again  
So nice to be home again  
Where I belong
