Well, now they started skinny minnie and it turned to  
ginny ginny  
With the dizzy miss lizzy blues  
She smiled while we were strollin' and I knew that I was  
rollin'  
Had to tell my big buddy the news

It's not the magic, it's not the music, it's not the  
moonlight  
I don't know when I felt like this before  
About ten years time ago  
When the band was singin', "Shakin' all over"  
When the band was singin', "Shakin' all over"

And now they gave us juicy Lucy and we did the Watusi  
In a rockin' pair of blue suede shoes  
What she don't know, won't hurt her even though I  
might desert her  
Got to tell my best buddy the news

It's not the magic, it's not the music, it's not the  
moonlight  
I don't know, I think I've only felt like this one time  
before  
About ten long years ago  
When the band was singin', "Shakin' all over"  
When the band was singin', "Shakin' all over"

It's not the magic, it's not the music, it's not the  
moonlight  
I don't know, I think I've only felt like this one time  
before  
So long ago that I can hardly remember  
When the band was singin', "Shakin' all over"  
When the band was singin', "Shakin' all over"

When the band was singin', "Shakin' all over"  
Scoop it out really  
When the band was singin', "Shakin' all over"
