If I told you that I was thinking of moving east,  
would you save a place for me?  
I'll come home cause it's worse that I expected.  
A place in my heart for my home to the west  
where we'll watch the same sunsets,  
and when I doubt...  
I'll look east and lock my heart in a brass box  
to newfound mass.  
I'm breaking off but this is my home.  
I'd do anything for you,  
give you the world if I could.  
Is that what you want me to do?  
These bridges and boundaries are bringing me closer  
to you.
