You've got some nerve I never knew
what with the world we gave away in front of you.
I see it all much clearer now.
You're just a phase I've gotten over anyhow.
It's over. I'm not giving in again.
We're loyal like brothers, just us versus all the others.
You're the one for, you're the one for me
I trusted misleading promises worth repeating.
How could you do this to me?
Red letter day that I learn.
I'm sure you get what you deserve.
I see it all much clearer since
I'm far past the point of this.
If it's a lie, I don't want to be the one who signed.
I'm not the one who falls down.
It's over now.
If you want to try....
Try and forget it.
It's over.
I'm gone.
We're loyal like brothers, just us versus all the others.

You're the one for, you're the one for me

I trusted misleading promises worth repeating.

How could you do this...(2x)

How could you do this to me
