Can you sleep as the sound hits your ears
One at a time
An unspoken balance here
I'm rich for so many years
That I should stare at receivers
To recede her
Isn't fair

Don't Worry I'll catch you
Don't worry I'll catch you
Don't ever worry

Your arms in mine
Anytime
Wouldn't trade anything
You're still my everything
To my surprise
For my eyes
You arrive

Don't Worry I'll catch you
Don't worry I'll catch you
Don't ever worry

Still breaking old habits, habits
You pull the wool over me
But I can see everything
Everything
Remembering
Just momentarily

Don't Worry I'll catch you
Don't worry I'll catch you
Don't ever worry
No need for reminding
You're still all that matters to me
