I didn't take that blow to heart
You couldn't tear our home apart
You anything you wanted everything
I don't have brusies I can show
Scars from abuse without a blow
You anything you wanted everything

You don't owe anything to me

I didn't take that blow to heart
You couldn't tear our home apart
You anything you wanted everything

You don't owe anything to me
But don't expect me not to live

I ask each year
Why am I here
Begging you please
Remembering
I'd rather die than be alone

I didn't take that blow to heart
You couldn't tear our home apart
Give you anything you wanted everything

You don't owe anything to me
But don't expect me not to live

I ask each year
Why am I here
Begging you please
Remembering
I'd rather die than be alone
