I never asked to be sorry
If its over its over for sure
I don't regret that I didn't want to
Remember what all this was for

So this is all we can do
What news is in store
How come starting over
Would be frowned on anymore

Hannah hold on
Hannah hold on
Its all been said
Its all been done

I never witnessed bitter like this
I think I've been shot in cold blood
You won't admit it and I won't be around
Just so I hear the applause

This isn't all we can do
When in doubt should move on
No need to sort it all out
By the time you read this I'll be gone

Hannah hold on
Hannah hold on
Its all been said
Its all been done
Hang on

You only disappoint the ones who don't believe

Hannah hold on

I never asked to be sorry
If its over its over for sure
