i built an altar for you
out of polaroids and pins
on the wall of my room
i don't know what to do
waiting for you
should be a sin
out of south station
builds me up
it's all i can do
high as the moon
waiting for you
to come back to my room
i built an altar for you
hope you come around
those lead to my house
i had a question for you
telling the truth
throws at the sound
outside a station
builds me up
it's all i can do
high as the moon
waiting for you
to come back to my room
all i can say
is show me some strength
come over please
your enemies
won't get to you
waiting to speak
days into weeks
come over please
no enemies
outside a station
builds me up
it's all i can do
high as the moon
waiting for you
to come back to me please
come over soon
no enemies
come over see

i'm begging you
