what became of everyone i used to know?
where did our respectable convictions go?
your words dont' match teh story that your actions
show, but what do i know?
i'm sure you cn't help but remembering
I thought that you'd be one not to forget,
but remembering's not helping you yet.
say goodnight means goodbye.
i know you thought my life would stop with you away
maybe I can see you on the holidays,
but you're worlds away
I've never forgotten all our yesterdays but i'm lucky if
we're speaking on the holidays
the evidence presents itself accusingly,
your absence speaking everything you think of me
now that I am faced with opportunity
you're not remembering
I'm not asking you anyway
Even if you ever could cave in
I wouldn't know where to begin
