what became of everyone i used to know?
where did our respectable convictions go
your words don't match the story that your actions
show-
but what do i know?
i'm sure you can't help but remembering...
i thought that you'd be one not to forget
but remembering's not helping you yet.
say goodnight, means goodbye.
i know you think my life would stop while you're away
maybe i can see you on holidays, but you're worlds
away.
i've never forgotten all our yesterdays
i'm lucky if we're speaking on the holidays
the evidence presents itself so accusingly
your absence speaking everything you think of me
now that i am faced with opportunity
you're not remembering.
i'm not asking you anyway
but even if you ever could cave in, i wouldn't know
where to begin.
say goodnight, means goodbye.
i know you think my life would stop while you're away
maybe i can see you on holidays, worlds away.
i've never forgotten all our yesterdays...
i'm lucky if we're speaking on holidays
