can you sleep as the sound hits your ears one at a
time?

an unspoken balance here,
unabridged for so many years
that i should stare at receivers
to receive her
isn't fair

don't worry i'll catch you
don't worry i'll catch you
don't ever worry

your arms in mine, anytime
i wouldn't trade anything
you're still my everything
to my surprise, before my eyes, you arrive

Don't worry i'll catch you
Don't worry i'll catch you
Don't ever worry

still breaking old habits, habits
you pulled the wool over me
i can see everything, everything
remembering "jinx removing"

Don't worry i'll catch you
Don't worry i'll catch you
don't ever worry

no need for reminding
you're still all that matters to me
