I wonder when I wander home If I'll be fit to drink alone.  
Sleep with my memories, Pictures, apologies.  
For every minute yesterday, Regret reminds me  
anyway.

If I remember anything, I'll make mistakes again.  
Last night on the Mass Pike, Thought I was losing you.  
Last night on the Mass Pike, I fell in love with you.  
I will declare a holiday, The night that she turned me  
away.

I'm drowning in my miseries It solves everything.  
Last night on the Mass Pike, Thought I was losing you.  
Last night on the Mass Pike, I fell in love with you.  
With you.

Last night on the Mass Pike, Thought I was losing you.  
Last night on the Mass Pike, I fell in love with you.  
Last night on the Mass Pike, Thought I was losing you.  
Last night on the Mass Pike, I fell in love with you.
