long way from home,
lost by an echo, i'd never of known
i've got pictures to prove i was there,
but you don't care
here's me overseas, 'cross the pond by the Dover
peaks
i've smuggled myself into new nationalities, think
you'de be proud of me
there's room to believe, out of sight, out of mind, out of
reach
start over, it's no way to begin
long way from home,
lost by an echo, i'd never of known
i've got pictures to prove i was there,
but you don't care
there's room to believe, out of sight, out of mind, out of
reach
start over, it's no way to begin
there's room to believe, out of sight, out of mind, out of
reach
start over, it's no way to begin
way to begin
way to begin
