It's better than nothing,
It's better than you can get.
What more could you want,
What more could you ask for?

Living day by day is more than I can say about my life.
Living in denial, wipe that stupid smile away.

Through that ring again, through that sick machine,
Doesn't make you any stronger than you or anything
you choose.
It's not abuse that many people live through.

It's better than nothing,
It's better than you can get.

Living say by day is more than I can say about my life.
Living in denial, wipe that stupid smile away.
