One of the meanest and the cleanest  
And still Im kinda fiendish when Im at this  
Been doin this for eons  
Peons best to catch this  
Vision of excellence  
Precise rappin ability  
Bout to make some dead presidents  
Mackin a million g  
The money though its got people actin funny yo  
As soon as some niggas get some life  
They be like dummies yo  
Products and puppets and pawns  
Gettin played out  
When authentic niggas step up respect be laid out  
Major effect to your sector Im the corrector  
Live and direct wavin my mic like a scepter  
Supreme exalted universal leader  
Descendants of the kings and queens the overseer  
The overlord cream of the crop creme de la creme  
Spent years buildin with cats in the streets so they my  
men  
Again Gang starr has done it  
Remember too much jewelz  
Back in the days you got to run it  
Check it the ground be hot under our feet  
So we be listenin to beats to keep the cipher complete  
Whether you kids be holdin on the block all day  
Or you be puffin la out in the back hallway  
Oor whether you be in school or in the library  
Wherever you are baby paw  
Realize that your essence is divine son and let it shine  
son  
As we refine son  
Ay yo this shit'll blow your mind son  
We're royalty

And all the girls they want to spoil me  
But honey anoints me with oil g  
After work she greets me and treats me like royalty  
Works with me givin herself by my side  
She dont sweat me for loot my fame or my ride  
A lot of ladies out there be lookin lovely

But they dont got no control of their life inside their  
ugly  
Word to bugsy and to red alert  
Sway and tech and funkmaster flex to make your head  
jerk  
Chicks go bezerk when they see us in the spot  
K Ci and jojo and primo creepin to the top  
And to the sweethearts out there breakin hearts  
While we're taking part of this hip hop art  
Listen yo the best way  
It aint always the fast way  
And yes the best way  
It aint always to act nasty  
I'll open up the door always before you pass me baby  
doll  
Because youre royalty
