[Daz Dillinger]

I was blowned.. just finished fuckin my bitch, countin my  
shit

Rollin in some marvelous shit (SKIIIRT!!)

Hooked up with the Bigga Figga, fuck Jigga

Me and my niggaz pushin tapes, same as pushin big  
weight

Mobbin down I-80 in my Mercedes truck with my  
buddies

On the site to get nutty, play some niggaz like putty

Ready you that fo', bumrushin and rushin the do'

From the Beach to Fillmoe, niggaz be bout that dough

Cash dollars make me holla, pop my collar and don't  
bother

Niggaz and baby mama drama givin me drama

But I -- some how some way

Keep comin up with gangsta-ass shit like every single  
day

Get out my way fore yo' bitch-ass get sprayed down

Cuz Tha Gamblaz, we came here to shut shit down

Come around town with fo' pounds sittin in my lap

Gimme my nigga Figga daps then we all about snaps

I adapt to whatever - the longer I live

nigga the more I get clever

Ran through the storms I bring harm

Roll ya over, ring the alarm

Nigga get ready we bout to drop the bomb, but ah..

[Hook: Daz]

Nigga tell me what the fuck you gon' do

Betta stop when ya spot my crew nigga, ooooooh

Tell me what the fuck you gon' do  
Betta stop when ya spot my crew nigga, ooooooh  
Nigga tell me what the fuck you gon' do  
Ya get dropped when ya spot my crew nigga, ooooooh

[Telly Mac]

I put my money where my mouth is, keepin the 'fetti  
folded  
While we rollin in winnings, heavy-hitters, nothin but  
gritters  
Soulja rags and spitters - four niners chasin the  
cheddar  
Mini-macks and berettas, big shit, tucked in they  
leathers  
For this type of weather, it's recommended that ya low-  
key  
Ya know me, the young O.G. that blow trees  
while we proceed - I know ya mobbin to this  
Pushin compact discs, by the box or by the brick  
Now we checkin chips, you know the routine we too  
clean  
Real niggaz do things, straight cash for two blings  
Iced out my shoestrings, cash on delivery  
Takin wads and bundles in the minute I know ya feelin  
me  
We hustlin, Figga roll and Daz Dilli  
While we stackin 'em silly, makin moves to get the  
pennies  
Never knew me really - I got my mind made up  
Telly Mac the General, Dogg Pound, don't give a fuck

[Hook: Daz]

Bigga Figga tell me what the fuck they gon' do  
Get dropped when it comes to my crew nigga, ooooooh  
Tell me what the fuck they gon' do  
Betta stop when it comes to my crew nigga, ooooooh  
Tell me what the fuck they gon' do  
Get dropped when it comes to my crew nigga, ooooooh  
Tell me what the fuck they gon' do  
Betta stop when it comes to my crew nigga, ooooooh

[JT the Bigga Figga]

We on some new and improved shit  
Some improve shit for gettin rich  
My clique'll benefit from gettin chips  
Conduct business and this is how we flip  
Fuckin with pimps and mobsters to prosper  
over niggaz that's wack and ask for Oscars  
My team roster, consist of the Get Low P's

So get yo' G's and nigga keep it movin like the breeze  
It's Tha Gamb laz and the DPG's lockin the scene  
And we them niggaz in the labs that's rockin that cream  
On the point just like the block and the beam  
The hard hustlin amounts to G's  
Motherfucker, know what I mean?  
It was all a dream, then it fucked around and came real  
We writin platinum hits to flip scripts and try to gain  
scrill'  
So my nigga just pass me the peel  
And watch me show my skills like Shaquille O'Neal  
We on the paper route for mil's, bigface dollar bills  
Iced out grills, blowin to kill, fuck whatcha feel  
Nigga chill for real, you know the deal  
In the street it's one shot one kill, motherfucker

[Hook: Daz]

Yeah tell me what the fuck you gon' do  
Get dropped when it comes to my crew nigga, ooooooh  
Tell me what the fuck you gon' do  
Betta stop when ya spot my crew nigga, ooooooh  
Tell me what the fuck they gon' do  
Get dropped when it comes to my crew nigga, ooooooh  
Tell me what the fuck they gon' do  
Betta stop when ya spot my crew nigga, ooooooh
