Calling other sounds  
You out there on the seas  
Today is dull and mild  
On a stroppy little island  
Of mixed up people

Did you hear the story  
Of violent behavior?  
The episodes get sent around  
Everyone

Give us sordid details  
Tie them on the main sail  
The drum and gun  
Of estatedom very near

Living in magazines  
Not looking for a reason  
Why people stand all alone  
In the night on the scrubs

Calling other sounds  
You out there on the seas  
Today is dull and mild  
On a stroppy little island  
Of mixed up people

Some of us find  
To give it all your own  
Rises up the land  
And nothings gonna hold you down

Not gonna be a victim  
Not gonna be a victim  
Not gonna be a victim

Standing on the sideline  
[Incomprehensible]

Oh, it?s alright  
Everything jolly  
Running up the hill

On a stroppy little island  
Of mixed up people

Some of us find  
To give it all your all  
Rises up the land  
And nothing gonna hold you down
