(Ebz)

How do you wanna die
Wasted - wasted - wasted
Iâ€™m runninâ€™ into a brick wall
It wonâ€™t stop me - I canâ€™t fall
Iâ€™m a party animal - Iâ€™m out of my mind
Iâ€™m wasted all the time
Die - die - die wasted
Die - die - die wasted
Itâ€™s the endless party that keeps me moving
Thereâ€™s nothing else Iâ€™d rather be doing
No rules left to be broken
We wonâ€™t crash cus we were chosen to
Die - die - die wasted
Die - die - die wasted
(Solo)
Die - die - die wasted
Die - die - die wasted

Who gives a fuck whatâ€™s right or wrong
I donâ€™t care at all
I canâ€™t be told what not to do
Iâ€™m racing into death with the coffin crew
Die die die wasted
Die die die wasted
Die die die wasted
Die die die wasted
Party til death - I wanna die wasted
Party til death - I wanna die wasted
Party til death - I wanna die wasted
Party til death - I wanna die wasted
Party til death - I wanna die wasted
Party til death - I wanna die wasted
Party til death
