Introduction by Bob Matt:

Through him, with him, in him

All honor, glory and power are yours

Forever and ever, amen.

Not saved - it's not for me

Not saved - not what I wanna be

I don't need no holy trinity

NOT saved - no it's not for me

I follow seven deadly sins

In the end - I know I'll win

I bow to no one - I live to have fun

Martyr in whose eyes - weakness I despise

Your church - your lies - your christ - he died

Dead jew on a cross - that's the one who's your boss

I don't fear armageddon

I won't kiss ass to get to heaven

Revelation don't threaten me

In the end - I'll still be free

Hang nothing over my head

It don't matter when I'm dead

Not saved - it's not for me

Not saved - not what I wanna be

I don't need no holy trinity

Not saved - no it's not for me

I'm not saved

I'm not saved

I'm not saved

I'm not saved

I'm not saved

I'm not saved

I'm not saved

I'm not saved

I'm not saved

I'm not saved

I'm not saved

I'm not saved
