C-U-N-T

You're having your period - it's that time of the month

You know what you are - you're a cunt on the rag
Lynning there with your bloodcunt and lace

Let's go bitch - sit on my face

Hey I eat cunt on the rag

Hey I eat cunt on the rag

Hey I eat cunt on the rag

Girl - you ain't gotta suck my cock

Dollface we ain't gotta fuck

Don't you know all I want

Is to lock your period slit

Hey I eat cunt on the rag

Hey I eat cunt on the rag

Hey I eat cunt on the rag

Girl - you ain't gotta suck my cock

Dollface we ain't gotta fuck

Don't you know all I want

Is to suck your period cunt

Hey I eat cunt on the rag

Hey I eat cunt on the rag

Hey I eat cunt on the rag

Cunt on the rag

Cunt on the rag

Cunt on the rag
