Baby, baby, baby, baby
I could be so good to you, baby
But honey, honey, honey, honey
All you gotta do is let me
But you gotta tell me if something's wrong

And daddy, daddy, daddy, daddy,
I could spent my whole life waiting
But honey, honey, honey, honey,
How long till you both get me?
'Cause it ain't right to keep me hanging on

You weren't ready
So I waited till you were ready
And you couldn't steady
So I waited till you could steady

And you weren't here, babe
So I waited here, babe
And now that you've got me
What are you gonna do to keep me?

But baby, baby, baby, baby
I could be so good to you, baby
But honey, honey, honey, honey
All you've gotta do is let me
But you gotta tell me if something's wrong

And daddy, daddy, daddy, daddy
I could spent my whole life waiting
But honey, honey, honey, honey
How long till you both get me?
'Cause it ain't right to keep me hanging on

You weren't ready
So I waited till you were ready
And you couldn't steady
So I waited till you could steady

And you weren't here, babe
So I waited here, babe
And now that you've got me

What are you gonna do to keep me
