[Verse]

You want me to be honest

â€"Tell you all the words you want to hear

â€"So I went and made a promise

â€"And I quickly became your worst fear out here

â€"[Chorus]

â€"In the wild, to the wild

â€"We'll self-destruct together

â€"I'm part of you now

â€"In the wild, to the wild

â€"We'll self-destruct together

â€"It's all over now

â€"

[Verse]

â€"Few fail to break the silence

â€"Most prefer the calm before the storm

â€"You choose cities over islands

â€"I'm returning to the place where I was born at home

â€"

â€"[Chorus]

â€"In the wild, to the wild

â€"We'll self-destruct together

â€"I'm part of you now

â€"In the wild, to the wild

â€"We'll self-destruct together

â€"It's all over now

â€"

[Bridge]

â€"Oooh, oooh

â€"Don't wanna risk it

â€"Taking it too â€|

â€"I existed for you

Don't wanna risk it

â€"Taking it too â€|

â€"I existed for you

â€"

â€"[Chorus]

â€"In the wild, to the wild

â€"We'll self-destruct together

â€"I'm part of you now

â€"In the wild, to the wild

â€"We'll self-destruct together

â€”It's all over now
