You got a head on your shoulders
You get a bone in your back
So you're not a rock and roller
And there's nothing wrong with that
I read it in a picture book
Your latest interview
You can try you can't deny
The animal in you.
Woo ooh ooh ooh ooh
Animal
Woo ooh ooh ooh ooh
Emotional
You gotta be somebody's baby
You gotta learn to lose control
You gotta go a little crazy
Release the animal
I'm beating on your ego
Until it's black and blue
All that's left to save me
The animal in you
Woo ooh ooh ooh ooh
Animal
Woo ooh ooh ooh ooh
Emotional
We are both common people
Sharing the same combination
It's lethal
Each of us loyal to the night
Woo ooh ooh ooh ooh
Animal
Woo ooh ooh ooh ooh
Emotional
