One step closer I'm feeling fine  
Getting better one day at a time  
I'm moving forward it's all in my mind  
I'm heading talk without new stay to mine

So I will hold back tears  
Move in the right direction  
Face my fears  
Move in the right direction

I'm doing fine  
One step closer every day at the time  
I won't lose my mind, lose my mind, ah ah

Motivation a powerful strength  
Hesitation was my first instinct  
I got the notion that wickness was  
Total devotion it's okay

Because I will hold back tears  
So I can move in the right direction  
I have faced my fears  
Now I can move in the right direction

I'm doing fine  
One step closer every day at the time  
I won't lose my mind, lose my mind, ah ah

Keeping my head of, looking forward  
Reminiscing will get you nowhere  
Never say never, starting over  
It's not perfect but it's getting closer

I will hold back tears  
So I can move in the right direction  
I have faced my fears  
Now I can move in the right direction

I'm doing fine  
One step closer every day at the time  
I won't lose my mind, lose my mind, ah ah
