Oh oh and I
And I put a wish in
Made it my mission
To end the conflict
But oh
I put a wish in
Hoping youâ€™d listen
By my accomplice
But ohhh
Relax, itâ€™s only dreaming facts
Giving way to feelings
No one ever stays long
itâ€™s over when you wake up
So I knew that it was
in the Picture perfect world
We can be more than before
I said it was
I made it stronger
From the beginning
My head was spinning
The perfect star
Oh a church
A place to fit in
A new religion
I found your heart
But oh oh
Relax, itâ€™s only dreaming facts
Giving way to feelings
no one ever stays long
itâ€™s over when you wake up
So I knew that it was
in the Picture perfect world
we can be more than before
I said it was
I made it stronger
In an Picture perfect world
in the Picture perfect world
we can be more than before
I said it was
I made it stronger
Donâ€™t get mad
You did your best

and now it's
all in the past to stay
so I knew that it was
in the Picture perfect world
we can be more than before
I said it was
I made it stronger
in the Picture perfect world
we can be more than before
I said it was
I made it stronger
