Well I guess today's the day
It's been a year ago a day
That is since you went away
And sometimes it still gets to me

Oh yesterday's news is
All the day it's tragedy
But I won't let it get to me
Not like I used to

Oh yesterday's news is
All the day it's tragedy
But I won't let it get to me
Like I used to

So I took all your pictures down
And all that's left is an empty wall
And I guess if you see me around
I'm glad you did not see me at all

Oh yesterday's news is
All the day it's tragedy
But I won't let it get to me
Not like I used to

Oh you and me
Yeah we're yesterday's news
But I can't keep from wondering
If it gets to you too

So I took all your pictures down
And all that's left is an empty wall
And I if you see me around
I'm glad you did not see me at all

So tell me your worse I'll tell you mine
And if she asks, I'm doing fine
Except that I can't keep from crying
And that I miss her all the time
