I wanna know what you're doing to me
I wanna know what are you doing, baby
'Cause you give me the feeling tonight
That I wanna, wanna hold you so tight
Give me love, give me passion, baby
I'm giving you everything that you need
I could do anything for you, ma'
I'd move to Africa
Me a go a tell it right
Di gal is dynamite
Me wanna take a bite
Las do it the chacka-like
Just me and you tonight
(Bang, Bang, Bang)
(Aaaa) Mali khala
Na Mali dansa
Kushaya Afrika
(Aaaa) Mali khala
Za thandana
Kushaya Afrika
Me a go fallin' in love
You a go messin' arround
Eye on eye, I'm sure you lie
Gimme that lovin' tonight
I wanna know what you're doing to me
I wanna know what are you doing, baby
'Cause you give me the feeling tonight
That I wanna, wanna hold you so tight
Give me love, give me passion, baby
I'm giving you everything that you need
I could do anything for you, ma'
I'd move to AfrÃca
