Cause she's the most beautiful in the world
I love the way she moves her body close to mine
I love the ways she talks and yes, I love the way she
smiles

She told me:

Refren(x2):

Che vengono da'l cuore.

(in reverse):

I love the way she moves her body close to mine
Cause she's the most beautiful in the world
I love the way she moves her body close to mine
Cause she's the most beautiful in the world

Refren(x6):..
