Funky...

Funky...

Sweet fire, takes my higher
DJ, spin your record all night
Girls dancing, boys romancing
Everybody is feeling alright.

Hey girl, there is no competition
With nothing on the mission
Them boys is no chance
Hey girl, you're drawing my attention
You're looking science-fiction
Come on, let us dance.

Can I touch your body?
Girl, I'm here to party all night...
Can I touch your body?
Girl, I'm here to party all night...
