I see you leaving, please don't close that door!
Why don't you love me anymore?
I love you more than you could ever know
Forgive me baby, don't let go!

You're leaving tomorrow
So light out my sorrow
With one last dance
Just one more chance
To say "i love you!"

'cause you belong to me
I belong to you
Baby, can't you see ?
The love we have it's true

You belong to me
I belong to you
Baby, can't you see?
The love we have it's true

One bliss, one touch, one smile my baby....
One breathless kiss before you leave me
One....
One more chance

One last dance
Goodbye, goodbye, goodbye my baby!
This song, this song it's for you my lady!
Come....
One more chance
One last dance!

You're leaving tomorrow
So light out my sorrow
With one last dance
Just one more chance
To say "i love you!"

'cause you belong to me
I belong to you
Baby, can't you see ?

The love we have it's true

You belong to me

I belong to you

Baby, can't you see ?

The love we have it's true
