Midnight Train,
take me away!
Midnight Train,
just find a place for me to stay!
Midnight Train,
I'm leaving just the way I came
Take me away from all this pain,
Midnight train,
Take me away!

It's over, I'm leaving, Goodbye now
Yesterday I was ready to die for you
But now, I don't know...
Cause you promised, to love me forever
And you told, we'll always be dancing together,
But now I dance alone, I dance alone
I dance alone!

Midnight Train,
take me away!
Midnight Train,
just find a place for me to stay!
Midnight Train,
I'm leaving just the way I came
Take me away from all this pain,
Midnight train,
Take me away...

I dare you, walk into the open
Leave your ego behind no,
My heart is already broken!
It's time now,
To show the cards we hide from ourselves now
We said "all in"
But we're the definition of "Bluffin"!

Tell me babe what would you do,
If you were me, and I were you?

Midnight Train,
take me away!

Midnight Train,
just find a place for me to stay!
Midnight Train,
I'm leaving just the way I came
Take me away from all this pain,
Midnight train,
Take me away...
