Morandi - Come Home

Chorus:

I cried once, I cried twice
Since you were gone
I pray once, I pray twice
For you to come home

Before you take my heart away
Look in my eyes again and say:
"I don't feel anything no more",
Then walk away and close the door.

Memories are gone
I am all alone
It's too late to cry!
For my sins I'll pay
I need one more day
Don't say goodbye!

Chorus (x2):

I cried once, I cried twice
Since you were gone
I pray once, I pray twice
For you to come home

There's no more happiness for me,
No more tomorrow, no more dreams
You took away my shining star
There's nothing left inside my heart

Memories are gone
I am all alone
It's too late to cry!
For my sins I'll pay
I need one more day
Don't say goodbye!

Chorus (x2):

I cried once, I cried twice
Since you were gone

I pray once, I pray twice
For you to come home
