Ten years from now
Were would I be
On a top of the mountain
Or drowned in the sea
Ten years from now
When fame will be gone
Myself would be here
To help me go on

Go on, go on
Life goes on

Don't worry Joe
If you're lucky no more
Don't run away
Future's coming your way
Don't worry now
Gonna make it somehow
Ten years go fast
You never know what's N3XT

Don't worry, don't worry
Friends come and go
It's like an endless cast
For a stupid show
Stop trying your line
Do yourself right now
You can't change the world
If you don't know how

Go on, go on
Life goes on

Don't worry Joe
If you're lucky no more
Don't run away
Future's coming your way
Don't worry now
Gonna make it somehow
Ten years go fast
You never know what's N3XT
