When the sun goes down
I feel like
I need you around
'Cause you're like
Butterflies in May, always flying away

Everytime you leave
I feel like
I just cannot breathe
'Cause you're like
Killing me inside when you're saying
goodbye....goodbye

Open your eyes and see him through
There's nothing inside but love for you
Never say never
Love could last forever

When the sun goes down
I feel like
I need you around
'Cause you're like
Butterflies in May, always flying away

Everytime you leave
I feel like
I just cannot breathe
'Cause you're like
Killing me inside when you're saying
goodbye....goodbye

Open your eyes and see him through
There's nothing inside but love for you
Never say never
Love could last forever
