Some people think they're always right
and right is all they'll ever be. Well
there's two sides and egos divide. And
we're so concerned with who's right.
These people are so quick to judge. Let's
get the judgement straight. It's not who's
wrong it's how we get along. And I'm not
too sure that we do yet.
TRUTH is a word that you're of. It's all
you said but I'd love to see you give
someone else a chance.
Open up, it's not so hard. Is hard what
you want to be to kick some ass. It's a
sure bet you'll get your way, but with no
friends left.
Don't say you know what I'm about,
because you don't. For God's sake give
me a fucking break. You don't even know
my name.
TRUTH is a word that you're of. It's all
you said but I'd love to see you give
someone else a chance.
I listen to the things you say, I've
weighed the facts out in my head. Can
you do the same...No, then don't waste
my time.
TRUTH is a word that you're of. It's all
you said but I'd love to see you give
someone else a chance.
This time my mind is set. My side you'll
never get.
What I say. What did you say. We can
both be right just not in the same way.
You think we could reach some common
ground...No...no way.
