The hand of the LORD was upon me  
and He brought me out by His Spirit  
The LORD set me in the middle of a valley  
it was full of dry bones  
He led my feet among them  
then He asked me by His Spirit,  
"Son of man, can these bones live?"

God said, "I know, I know that I could heal them,  
I know, I could heal them on my own."  
But the LORD said unto me, you'll need a testimony,  
so say to the dry bones, "Live."  
say to the dry bones, "Live."

He woke me up this morning  
I set my eyes upon Him  
then He asked me by His Spirit,  
"Can these lives be healed?"  
why did He ask me, when He already knew the answer  
why did He tell me, to say, "Live, breathe."

God knows, He knows that He could heal them  
God knows, He could heal them on His own.  
The LORD said unto me, you'll need a testimony  
so say to the dry bones, "Live."  
say to the dry bones, "Live."

He woke me up this morning  
I set my eyes upon Him  
I asked God quite bluntly,  
"Can my life be healed?"  
Then it was quiet which really caught my attention  
Then the Peace of God came over,  
and Yeshua reigned  
He rained down His Spirit, and He rained down His  
power, He rained down His glory and He rained His  
healing.

I know, I know that God has healed me  
I know, He'll never leave me alone  
I know, I know that You have healed me  
I know there is healing from Your throne

So He said unto me, "I've given you a testimony, so say  
to the dry bones live, say to the dry bones live, say to  
the dry bones... live!"
