Creepers in the halls
Behind forbidden walls
Under watchful eyes
I'm a dirty old man watch out
Do you heard that?
I don't know... I did
Now there's footsteps in the halls
And no one hears our calls
And the sweat so gently falls
Now we're on the run
Escape the haunted ones
Now there's blood stains in the halls
See the traces on the walls
Inside here a demon crawls
He's a dirty old man
You better watch out
