You know that I got this thing (for you)  
Iâ€™m trying to measure it up  
Is there a way we can tell (how much)  
Where in the world could I find the answer.

How much do I adore you?  
How do I figure it out?  
How much I wonder what it is  
I gotta figure it out

You know that we got this game (going on)  
We play it everyday  
You take a girl and a guy (going strong)  
And try to work it out where the love comes from

(CHORUS)

You know that I got this thing (for you)  
Iâ€™m trying to measure it up  
Is there a way we can tell (how much)  
Where in the world could I find the answer

(CHORUS) X 3
