I can't find my way home lately
I keep forgetting where I come from
Can you give me good direction?
Cause every road I think I've been down

And I go round and round in circles
I'm looking for a way home
Taking all the wrong turns
I don't know what to do - oh

I Can't find my own way home, baby
I Can't do this on my own
I Can't find my own way home, baby
I Can't find x 3

I don't mean to be a bother
But I can't talk to any other
Is there some place that you can take me?
A better place than where you found me

Cause I go round and round in circles
I'm looking for a way home
Taking all the wrong turns
I don't know what to do - oh

(CHORUS)

(INSTRUMENTAL)

Cause I go round and round in circles
I'm looking for a way home
Taking all the wrong turns
I don't know what to do - oh

(CHORUS)
