I'm looking way out of, my mind and
sometimes I, get a little scared
looking at myself undone.
And when I lay down on, my bed i
I don't sleep but, I'm dreaming all the same
do you think I've gone insane?

And I am looking for the one thing
that my broken heart is asking me to find
And I am looking for the strength
to tell my heart exactly what is in my mind

Here is a piece of me,
I got nothing left to give you
You've taken almost everything
A piece of me
I just cant go on.
without a piece of you

I'm missing, my angel on, my shoulder
that's where my angel should be
looking after everything

And I am looking for the one thing
that my broken heart is asking me to find, Oh to find
And I am looking for the strength
to tell my heart exactly what is in my mind
in my mind

(CHORUS) x 3

Just give me a piece of you
