Take a little time and think it over
Cos IÂ'm not in a rush today
Think a little while take it slower
You donÂ't have to do a thing

When the night is done and over
And when I drive you home remember
That thereÂ's nothing that I want
Except a little of your time and conversation

I got something on my mind and itÂ's not physical
And I would like to take the time to get to know you girl
Could I see you to your door and IÂ'll be on my way?
Could I see you later on?

We had a little wine now lets get sober
Because I want the best of you
Put a record on hold me closer
I wanna dance the tonight with you

When the night is done and over
And when I drive you home remember
That thereÂ's nothing that I want
Except a little of your time and conversation

(INSTRUMENTAL)

(CHORUS) x 4

We'll spend some time
