WAKE up in the middle of the night
I'm lying on the floor
Just in time to see your shadow vanish through the door
I reach out for the bottle
My only friendly peer
You careless bitch
You drank it all
You never shed a tear

Coz i must be crazy
I must be crazy
I must be crazy loving
I must be crazy
I must be crazy
I must be crazy loving you
What can i do?
What can i do?

End up shakin' late at night
I worry for my sanity
You got my heart
And you won't let go
Its looking very plain to me
I've seen you strip
You've seen me sweat
You wont surcumb to my desire
I hold you close
But your so far
I never know just where you are

Coz i must be crazy
I must be crazy
I must be crazy loving
I must be crazy
I must be crazy
I must be crazy loving you
What can i do?
What can i do?
What can i do?
What can i do?
What can i do?
